Whereas, General Insurance Corporation of India, United India Insurance Company Limited and National Insurance Co Ltd holds 1.89% each of IIAML's share capital.

(2) Investment Objectives of the Schemes:

In June 2013, the First Scheme, IL&FS Infrastructure Debt Fund - Series 1-A, 1-B and 1-C, having specified maturity of 5, 7 and 10 years was launched and the Private Placement Offer was closed in December 2013 with a total corpus of ₹ 750 crore.

Series 1A completed 5 (five) years of its tenure on April 29, 2019. IL&FS Infrastructure Debt Fund Series 1A was successfully redeemed on its maturity date.

Series 1B completed 7 (seven) years of its tenure on April 29, 2021. IL&FS Infrastructure Debt Fund Series 1B was successfully redeemed on its maturity date.

Series 1C completed 10 (Ten) years of its tenure on April 29, 2024. IL&FS Infrastructure Debt Fund Series 1C was successfully redeemed on its maturity date.

In March 2014, the Second Scheme, IL&FS Infrastructure Debt Fund - Series 2-A, 2-B and 2-C having specified maturity of 5, 8 and 12 years was launched and the Private Placement Offer was closed in April 2015 with a total commitment amount of ₹ 575 crores. The Schemes were partly paid with 70% of the funds were called up and Rs. 402.50 crores was received.

In July 2024, post receipt of 100% consent from all investors units of scheme 2 – Series 2A, 2B & 2C were converted from partly paid to fully paid on June 26, 2024. Post conversion, all units have been listed on the Nation Stock Exchange (NSE).

Now the scheme tenure has commenced and the maturity date of the schemes will be June 26, 2029- Scheme 2A, June 26, 2032- Scheme 2B and June 26, 2036 – Scheme 2C respectively.

IL&FS Infrastructure Debt Fund - Series 3-A having specified maturity of 5 years was launched through Private Placement Offer and the scheme was closed in January 2018 with a corpus of ₹ 140 crore.

Series 3A completed 5 (five) years of its tenure on January 31, 2023. IL&FS Infrastructure Debt Fund Series 3A was successfully redeemed on its maturity date.

IL&FS Infrastructure Debt Fund - Series 3-B having specified maturity of 7 years was launched through Private Placement Offer and the scheme was closed in May 2018 with a corpus of ₹ 153 crore..

Series 3B completed 7 (Seven) years of its tenure on May 6, 2025. IL&FS Infrastructure Debt Fund Series 3B was successfully redeemed on its maturity date.

The investment objective of the above Scheme/s is to generate income and capital appreciation by investing primarily in infrastructure debt instruments as permitted by SEBI from time to time. There is no assurance or guarantee that the objective of the Scheme will be realised.

(3) Basis and Policy of Investment Underlying the Scheme:

Pursuant to SEBI Circular No. MSD/ Cir-6/73/2000 dated July 27, 2000, the Board of Asset Management Company has set up an Investment Committee. The investment committee consists of the Chairman and other three members of the Committee are the CEO of AMC, Chief Investment Officer cum Fund Manager (CIO) of the AMC and member of the Core Operating Committee of IL&FS. The Investment Committee considers, reviews and approves the Investment proposals and related matters. A

comprehensive investment policy to identify, select and invest in infrastructure has been laid down by the AMC.

The price and redemption value of the units, and income from them, can go up as well as down with the fluctuations in the market value of its underlying investments in securities or fair value.

(4) Scheme Performance, Outlook, Operations of the Schemes and Investor Services:

During the financial year 2024-25, IL&FS Infrastructure Debt Fund has 5 schemes, Series 1-C, Series 2-A, 2-B, 2-C and Series 3-B.

- (a) Series 1-C with minimum tenure of 10 years
- (b) Series 3-B with minimum tenure of 7 years.
- (c) Series 2-A, 2-B and 2-C with minimum tenure of 5, 8 and 12 years respectively. These schemes were closed on April 17, 2015 for aggregate amount of ₹ 575 crore and has called 70% of the commitment amount as of March 31, 2019. Since as of March 31, 2024 the scheme was not closed as the fund had not made any subsequent draw downs, the scheme performance has not been reported. However on June 26, 2024 the scheme 2 series (2A, 2B and 2C) was converted from partly paid up in to fully paid up and the schemes are now listed.

Presently, the Schemes of IL&FS IDF are as mentioned below:

IL&FS Infrastructure Debt Fund – Series 2-A, 2-B and 2-C - with minimum tenure of 5, 8 and 12 years respectively.

The performance of these schemes since inception is given below as on March 31, 2025:

Scheme Name	Last	l year	Last 3	year	Last :	5 year	Since in	nception
	Scheme return	Bench mark *						
IDF Series -1C**	21.23 %	8.23%	13.85%	5.49%	4.97%	7.32%	8.01%	8.31%

IDF Series -2C	8.90%	8.79%	9.49%	6.92%	7.65%	6.58%	8.79%	7.66%
IIDF Series 3B	16.69%	8.23%	8.16%	5.49%	7.72%	7.32%	8.12%	7.44%

^{**} Scheme performance of IDF Series-1C is as on March 31, 2024 since the Scheme was redeemed upon maturity on April 24, 2024

Schemes of IL&FS IDF does not have a suitable benchmark and hence the performance had to be compared with Crisil Composite Bond Fund Index. The said benchmark follows mark to market valuation of securities (gross return) while IDF

^{*}Benchmark - Crisil Composite Bond Fund Index

follows valuation of securities on actual yield accrual basis (net return) for the benefit of investors and to give a true picture of investments.

Due to change in maturity bucket, underlying investments composition and valuation methodologies of IDF portfolio as compared to Index portfolio, performance comparisons of IDF scheme's with the above benchmark is not suitable, however in absence of the availability of suitable benchmark, the benchmark return has been disclosed.

Past performance may or may not be sustained in future. Returns greater than 1 year period are compounded annualized (CAGR)

The above return is net of applicable expenses and benchmark return is on a gross basis (IIDF - IL&FS Infrastructure Debt Fund)

With respect to the past performance of the schemes, Trustee Board has taken cognizance that the same was on account of provisioning for NPAs in the ongoing legal cases. However the fund has made substantial recovery from its NPA accounts during the financial year through resolution of these past NPA accounts.

(d) Outlook:

Due to unprecedented action, pursuant to the orders of the National Company Law Tribunal (Mumbai) ("NCLT") dated October 1, 2018, the Government of India superseded the Board of our ultimate parent company Infrastructure Leasing and Financial Services Limited ("IL&FS") and nominated new Board Members.

The New Board is engaged in evolving a transparent resolution process, while keeping public interest, financial stability, legality, various stakeholder interests (including interests of our joint venture partners) and commercial feasibility in view. The unprecedented action which led to significant uncertainty in the business with associated employee retention challenges. In the last 18 months, focus has been on business consolidation, business maintenance, cost rationalisation and employee engagement. Investors to note that talent retention and attraction is a big challenge for the IDF given growth and business challenges in the rapidly evolving IL&FS Group scenario. The Directors realise the need to bring stability to the platform and believe that a change in sponsor would pave the path for stability, employee retention and business growth and would be in the best interest of investors.

The Fund as on March 31, 2025 had AUM of Rs. 1112.52 Crore on across 4 (four) schemes. Scheme 1C has been redeemed on the due date in April 2024 and Rs. 606.48 crores were returned to the investors, Scheme 3 B has been redeemed in May 2025 and Rs. 261.85 crores were returned to the investors. The AUM of the fund has now reduced to Rs. 868.09 crores a as on June 30, 2025.

As per the Asset Divestment Plan of Infrastructure Leasing & Financial Services Limited (IL&FS) (Ultimate Holding Company), the IL&FS Mutual Fund (IDF) business is up for sale as part of the sale process initiated by the group with respect to its holding company IL&FS Investment Managers Ltd (IIML). While the sale

process is underway with respect to its holding company which will result in the potential indirect change in sponsor of the IL&FS Mutual Fund (IDF), there is no certainty that the sale will be successfully consummated. No new funds have been raised under the IL&FS umbrella and there will be a significant reduction in the Assets Under Management in the short term from maturity of schemes. Falling Assets Under Management would have significant impact on profitability going forward.

(e) Investor Services:

As stipulated under SEBI circular no. Cir/IMD/DF/2/2010 dated May 13, 2010, the investor complaint report for the period April 2023 to March 2024 is provided under **Annexure 1.**

(5) Significant Accounting Policies:

The Significant Accounting Policies form part of the Notes to the Accounts annexed to the Balance Sheet of the Schemes. The Accounting policies are in accordance with Securities and Exchange Board of India (Mutual Funds) Regulations 1996.

(6) Unclaimed Dividends & Redemptions as on March 31, 2025:

The Scheme/s launched are close ended Scheme with investors having a minimum investment horizon of 5 years and has not yet declared any dividend till date. Hence, there are no instances of unclaimed Dividends and Redemptions as on March 31, 2025.

(7) Statutory Information:

- a. The erstwhile Sponsor has made an initial contribution of Rs.5,00,000/- for setting up the Fund. The Sponsors are not responsible or liable for any loss resulting from the operation of the Schemes of the Fund beyond their initial contribution.
- b. The price and redemption value of the units, and income from them, can go up as well as down with fluctuations in the market value of its underlying investments.
- c.Full Annual Report shall be hosted on the website (www.ilfsinfrafund.com) and shall be available for inspection at the Head Office of the Fund. On written request, present and prospective unitholder/investors can obtain copy of the trust deed, the full annual report of the Fund / AMC and the text of the relevant scheme.

(8) Acknowledgements:

We wish to thank the unit holders of the Fund for their overwhelming response and support throughout the year and extend gratitude to the Government of India, the Securities and Exchange Board of India (SEBI), the Reserve Bank of India (RBI), the Association of Mutual Funds in India (AMFI) and the Financial Intelligence Unit (FIU) for the guidance provided by them. Further, we would also like to take this opportunity to express our appreciation towards the Registrar and Transfer Agent, Fund Accountant, Custodian, Banker/s, Auditors, Distributor/s and all Service Provider/s for their support.

IL&FS AMC Trustee Limited

Further we wish to express our gratitude towards Sponsor to the Fund for their continued trust and support. INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of IL&FS AMC Trustee Limited

Report on the Financial Statements

1. Opinion

We have audited the accompanying financial statements of the following Schemes of **IL&FS Mutual Fund (IDF)** – **closed ended Debt Schemes** (the "Schemes") which comprise the Balance Sheet as at March 31, 2025, the Revenue Account and the Cash Flow Statement for the period from April 01, 2024 to April 29, 2024 for Series 1C and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

Name of Schemes

IL&FS Infrastructure Debt Fund Series 1C

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes mentioned above give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended (the "SEBI Regulations"):

- a) In the case of the Balance Sheet, of the state of affairs of the schemes as at March 31, 2025
- b) In the case of the Revenue Account, of the surplus for the period April 01, 2024 to April 29, 2024 and
- c) In the case of the Cash Flow Statement, of the cash flows for the period April 01, 2024 to April 29, 2024.

2. Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ('ICAI'). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Schemes in accordance with the Code of Ethics issued by ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditors Response
Existence and Valuation of investments The investments held by the schemes as on	We performed the following audit procedures:
March 31, 2025 mainly comprised of Debt instruments. There is a risk of existence of investments and that the fair value of investments is not determined appropriately. Accordingly, the existence and valuation of investments is considered as a key audit matter.	 Assessed the design and implementation of controls over existence and valuation of investments. Tested the controls set up by Management on sample basis on existence and valuation of Investments.

4. Information other than financial statements and Auditor's report thereon

The Board of Directors and Management of IL&FS AMC Trustee Limited (the Trustees) and IL&FS Infra Asset Management Limited (the "AMC") are responsible for the other information. The other information comprises the information included in the Trustee's Report but does not include the financial statements and our auditor's report thereon. The Trustee's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

5. Management's Responsibility for the Financial Statements

The Board of Directors and Management of IL&FS AMC Trustee Limited (the "Trustee") and IL&FS Infra Asset Management Limited (the "AMC") are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Schemes in accordance with accounting principles generally accepted in India, including the accounting policies standards specified in the Ninth Schedule to the SEBI Regulations. This responsibility includes maintenance of adequate accounting records in accordance with the SEBI Regulations, the design, implementation and maintenance of adequate internal controls relevant to the preparation and presentation of the

In

financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Schemes or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Scheme's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of such controls.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Report on Other Legal and Regulatory Requirements

- As required by Regulation 55(4) and clause 5(ii)(2) of the Eleventh Schedule of the SEBI Regulations, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) The financial statements have been prepared in conformity with the accounting policies and standards specified in the Ninth Schedule to the SEBI Regulations;
 - c) the Balance Sheet, the Revenue Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Schemes.
- ii) As required by the Eight Schedule of the SEBI Regulations, we report that:
 - a) In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2025 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Directors of the Trustee and the AMC, and are fair and reasonable.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

(1) Background

IL&FS Mutual Fund (IDF) ('the Fund') has been constituted as a Trust in accordance with the provisions of the Indian Trusts Act, 1882 with IL&FS Financial Services Limited ("IFIN") as the Sponsor, IL&FS Infra Asset Management Limited as the Investment Manager and IL&FS AMC Trustee Limited as the Trustee. The Trust Deed has been registered under the Indian Registration Act, 1908 on January 21, 2013 and amended through Deed of amendment on September 5, 2013. The Investment Management Agreement between IL&FS Infra Asset Management Limited (the AMC), IL&FS AMC Trustee Limited (the Trustee) and the trust was executed on January 21, 2013 and amended on September 5, 2013. The Fund has been registered with SEBI on February 1, 2013 under Registration Code MF/072/13/02. With effect from January 1, 2017, sponsor of the Fund was changed from IFIN to IL&FS Investment Managers Limited ("IIML"), consequently Trust Deed and Investment Management Agreement were amended on January 16, 2017.

IL&FS Infrastructure Debt Fund Series 1B and 1C is a close ended Scheme for 7 Years and 10 Years respectively. The scheme was launched on June 18, 2013 and units were fully paid up on April 30, 2014 and consequently the maturity period is counted from April 30, 2014. Series 1B is matured on 29th April 2021 and redemption value is paid in full to the investors. Units were having face value of ₹ 1,000,000 and were fully paidup. The units were listed on the National Stock Exchange of India on May 07, 2014. The investors of Series C were paid redemption value in full on 30th April 2024.

The Investment objective of the scheme is to generate income and capital appreciation by investing primarily in infrastructure debt instruments as permitted by SEBI from time to time.

(2) Significant accounting policies

a) Basis of preparation of financial statements

The financial statements are prepared and presented under the historical cost convention, as modified for investments which are stated at fair value at the balance sheet date, on accrual basis of accounting and in accordance with the accounting policies and standards specified in the Ninth Schedule of the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 as amended (the "SEBI Regulations").

b) Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP), which requires Management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis.

Any revision to accounting estimates is recognized prospectively in current and future periods.

c) Investments

(i) Basis of accounting

- Transactions for purchase and sale of investments are recorded on trade date.
 The cost of investments includes all costs incurred in acquiring the
 investments and incidental to acquisition of investments. Any front enddiscount on privately placed investments is reduced from the cost of such
 investments.
- Broken period interest paid/received is not included in the cost of purchase of investments.

(ii) Valuation

- The valuation of investment is based on the guiding principles of fair valuation.
- Where it is observed that Valuation methodology mentioned below, does not lead to fair valuation of securities, Valuation Committee may on a prospective basis deviate from the defined methodology and adopt such alternate procedures / methods in conformance with the guiding principles of fair valuation in good faith to arrive at the true and fair estimation of the realizable value of the security. The rationale for any such deviations would be recorded in writing and placed before the Board of Directors of the AMC and the Trustee.
- Valuation of the securities; is arrived as per the policy; is applied
 consistently across the portfolios. In other words; any particular security is
 valued on the same basis across all the portfolios and it cannot have
 different base for valuation on a particular day.

VALUATION METHODOLOGIES .

 Debt, Money Market and related securities - All debt, money market and related securities. Infrastructure Debt Fund (IDF) is a close ended fund, it does not do marked-to-market valuation of securities and all its investments are held to maturity. It also does not trade its investments. There is no risk matrix available for the kind of investment that IDF invests in.

In view of above and the illiquid nature of infrastructure debt securities, having minimal or no secondary market, the valuation of infrastructure debt securities is done on a current effective yield basis (face value of security plus interest accrued).

Considering that IDF does not trade its investments, all money market instruments and other debt securities are valued on a current effective yield basis (face value of security plus interest accrued).

 Valuation of money market and debt securities which are rated below investment grade:

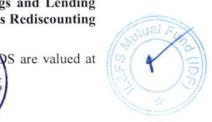

IDF accounts for actual return received on investments across its schemes in calculating the NAV, as long as the investments are standard and continue to service their debt obligations.

There is no mark-down as long as servicing in respect of the investments is being done on time.

In case of mark-down of investments, the same is undertaken in accordance with regulations and specific details of the investment.

• Investment in Reverse Repo, Collateralized Borrowings and Lending Obligations (CBLO), Tri-Party Repo (TREPS) and Bills Rediscounting (BRDS):

Investment in Reverse Repo's, CBLO's, cost plus accrued interest.

d) Revenue recognition

Interest income is recorded on a period proportionate basis.

Profit or loss on sale / redemption of investments represents sale proceeds less weighted average cost and is recognised on a trade date basis.

Transfer of Investments from one scheme to another scheme is made as per the valuation policy in conformity with the investment objective of the scheme to which such transfer has been made.

e) Expenses

The total expense ratio charged to scheme are within the limits prescribed under Regulation 52 of the SEBI Regulations.

All expenses identifiable with any particular scheme are accounted on an accrual basis. Expenses not identifiable with any particular scheme are generally allocated to the schemes in proportion to the number of folios in the schemes or Average Assets under management (AAUM), whichever is more appropriate.

f) Computation of Net Asset Value (NAV)

The NAV of a scheme is computed separately for units issued under the various options of the relevant plans of the IL&FS Infrastructure Debt Fund Series 1B and 1C, although the corresponding scheme's investments and other net assets are managed as a single portfolio. For computing the NAV for various plans/options, daily income earned, including realized and unrealized gains or losses in the value of investments and expenses incurred by the corresponding scheme are allocated to the plans/options in proportion to the net assets of each plan/option.

g) Investor Education and Awareness Expenses

In compliance with SEBI Circular No. CIR/IMD/DF/21/2012 dated September 13, 2012; the scheme has charged 0.02 % of daily net assets within the maximum limit of total expense ratio as per the SEBI Regulations for investor education and awareness initiatives. Pursuant to the letter dated January 8, 2016, issued by SEBI to AMFI mandating all members to transfer 50% of the Investor Education and Awareness fund balance as at March 31, 2016 and from April 1, 2016 onwards, 50% of the 0.02% of daily net assets aside by the Mutual fund, accordingly the fund has transferred 50% of opening balance and additions for current year to AMFI. The balance amounts are utilized towards investor education and awareness initiative taken by the Mutual Fund/AMC. Allocation for utilization is done in different schemes based on the available balance in each scheme.

h) Load

Pursuant to SEBI circular no SEBI/IMD/CIR NO .4/168230/09 dated June 30, 2009, no entry load is charged.

(20) IL&FS IDF invested in Zero Coupon NCDs amounting to Rs. 2,000 million issued by IWEL in September 2016.

Pursuant to rating downgrade of IWEL, IL&FS IDF had sought pre-payment of the NCDs from IWEL.

The entire value of NCDs of IL&FS Wind Energy Ltd (IWEL) had been provided for, as a conservative valuation approach, as on 30 September 2021 as the NCDs had fallen due.

After series of legal actions, IDF has received Rs. 252.63 crores against admitted claim of Rs. 254.66 crores. IDF has received ~99% of its admitted claims in July 2023 as per interim distribution by IWEL from the proceeds received by IWEL from the sale of its wind SPVs to ORIX. Accordingly, IDF has filed for withdrawal of its case from Hon'ble Supreme Court given the substantial extent of recovery made in the account.

As per SEBI Regulations, IDF has made provision for the entire outstanding exposure in IWEL. Summary of provisions made and recovery during the year ended March 31, 2025 & March 31, 2024 is as given below:

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of IL&FS AMC Trustee Limited

Report on the Financial Statements

1. Opinion

We have audited the accompanying financial statements of the following Schemes of IL&FS Mutual Fund (IDF) – closed ended Debt Schemes (the "Schemes") which comprise the Balance Sheet as at March 31, 2025, the Revenue Account and the Cash Flow Statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

Name of Schemes	
IL&FS Infrastructure Debt Fund Series 2A	
IL&FS Infrastructure Debt Fund Series 2B	
IL&FS Infrastructure Debt Fund Series 2C	

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes mentioned above give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended (the "SEBI Regulations"):

- a) In the case of the Balance Sheet, of the state of affairs of the schemes as at March 31, 2025
- b) In the case of the Revenue Account, of the surplus for the year ended on that date and
- c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ('ICAI'). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Schemes in accordance with the Code of Ethics issued by ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we'do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Son

Key Audit Matters	Auditors Response
Existence and Valuation of investments	
The investments held by the schemes as on March 31, 2025, mainly comprised of Debt instruments. There is a risk of existence of investments and that the fair value of investments is not determined appropriately. Accordingly, the existence and valuation of investments is considered as a key audit matter.	 We performed the following audit procedures: Assessed the design and implementation of controls over existence and valuation of investments. Tested the controls set up by Management on sample basis on existence and valuation of Investments. Traced, the quantity held as per books with the confirmation provided by Custodian as of year end. Tested the valuation of investments on sample basis as per the investment valuation policy approved by the Trustees and with the SEBI Regulations.

4. Information other than financial statements and Auditor's report thereon

The Board of Directors and Management of IL&FS AMC Trustee Limited (the Trustees) and IL&FS Infra Asset Management Limited (the "AMC") are responsible for the other information. The other information comprises the information included in the Trustee's Report but does not include the financial statements and our auditor's report thereon. The Trustee's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

5. Management's Responsibility for the Financial Statements

The Board of Directors and Management of IL&FS AMC Trustee Limited (the "Trustee") and IL&FS Infra Asset Management Limited (the "AMC") are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Schemes in accordance with accounting principles generally accepted in India, including the accounting policies standards specified in the Ninth Schedule to the SEBI Regulations. This responsibility includes maintenance of adequate accounting records in accordance with the SEBI Regulations, the design, implementation and maintenance of adequate internal controls relevant to the preparation and presentation of the

In

financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Schemes or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance are also responsible for overseeing the Scheme's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of such controls.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Schemes to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Schemes to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Report on Other Legal and Regulatory Requirements

- i) As required by Regulation 55(4) and clause 5(ii)(2) of the Eleventh Schedule of the SEBI Regulations, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) The financial statements have been prepared in conformity with the accounting policies and standards specified in the Ninth Schedule to the SEBI Regulations;
 - c) the Balance Sheet, the Revenue Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Schemes.
- ii) As required by the Eight Schedule of the SEBI Regulations, we report that:
 - a) In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2025 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Directors of the Trustee and the AMC, and are fair and reasonable.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

(1) Background

IL&FS Mutual Fund (IDF) ('the Fund') has been constituted as a Trust in accordance with the provisions of the Indian Trusts Act, 1882 with IL&FS Financial Services Limited ("IFIN") as the Sponsor, IL&FS Infra Asset Management Limited as the Investment Manager and IL&FS AMC Trustee Limited as the Trustee. The Trust Deed has been registered under the Indian Registration Act, 1908 on January 21, 2013 and amended through Deed of amendment on September 5, 2013. The Investment Management Agreement between IL&FS Infra Asset Management Limited (the AMC), IL&FS AMC Trustee Limited (the Trustee) and the trust was executed on January 21, 2013 and amended on September 5, 2013. The Fund has been registered with SEBI on February 1, 2013 under Registration Code MF/072/13/02. With effect from January 1, 2017, sponsor of the Fund was changed from IFIN to IL&FS Investment Managers Limited ("IIML"), consequently Trust Deed and Investment Management Agreement were amended on January 16, 2017.

IL&FS Infrastructure Debt Fund Series 2A, 2B and 2C is a closed ended Scheme for 5 Years, 8 Years and 12 Years respectively. The scheme was launched on March 3, 2014 and units were allotted on April 17, 2015 being the first draw down of the investor commitments. Units when allotted had a face value of Rs. 10, 00,000/-. As there was a partial draw down in the schemes pursuant to the launch, the units were partly paid @ Rs 700,000/- per unit. The units were converted from partly paid to fully paid by capping the unit holders commitment in the series 2 (2 A, 2B and 2C) at the drawn capital. This conversion to fully paid was effected by reducing the number of units on conversion date of 26th June 2024.

The process was completed after receipt of 100% consent from all investors and SEBI. Pursuant to the conversion, the tenor of the schemes have started as 5, 8 and 12 years respectively from the conversion date which was 26th June 2024. The scheme units are listed on NSE.

The Investment objective of the scheme is to generate income and capital appreciation by investing primarily in infrastructure debt instruments as permitted by SEBI from time to time.

(2) Significant accounting policies

a) Basis of preparation of financial statements

The financial statements are prepared and presented under the historical cost convention, as modified for investments which are stated at fair value at the balance sheet date, on accrual basis of accounting and in accordance with the accounting policies and standards specified in the Ninth Schedule of the Securities and Exchange Board of India (Mutual Funds) SEBI Regulations, 1996 as amended (the "SEBI Regulations").

b) Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP), which requires Management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis.

Any revision to accounting estimates is recognized prospectively in current and future periods.

c) Investments

- (i) Basis of accounting
- Transactions for purchase and sale of investments are recorded on trade date.
 The cost of investments includes all costs incurred in acquiring the
 investments and incidental to acquisition of investments. Any front enddiscount on privately placed investments is reduced from the cost of such
 investments.
- Broken period interest paid/received is not included in the cost of purchase of investments.

(ii) Valuation

- The valuation of investment is based on the guiding principles of fair valuation
- Where it is observed that Valuation methodology mentioned below, does not lead to fair valuation of securities, Valuation Committee may on a prospective basis deviate from the defined methodology and adopt such alternate procedures / methods in conformance with the guiding principles of fair valuation in good faith to arrive at the true and fair estimation of the realizable value of the security. The rationale for any such deviations is recorded in writing and placed before the Board of Directors of the AMC and the Trustee.
- Valuation of Security; is arrived as per the policy; are applied consistently
 across the portfolios. In other words; any particular security is valued on
 the same basis across all the portfolios and it cannot have different basis for
 valuation on a particular day.

VALUATION METHODOLOGIES

 Debt, Money Market and related securities - All debt, money market and related securities. Infrastructure Debt Fund (IDF) is a close ended fund, it does not do marked-to-market valuation of securities and all its investments are held to maturity. It also does not trade its investments. There is no risk matrix available for the kind of investment that IDF invests in.

In view of above and the illiquid nature of infrastructure debt securities, having minimal or no secondary market, the valuation of infrastructure debt securities is done on a current effective yield basis (face value of security plus interest accrued).

Considering that IDF does not trade its investments, all money market instruments and other debt securities are valued on a current effective yield basis (face value of security plus interest accrued).

 Valuation of money market and debt securities which are rated below investment grade:

IDF accounts for actual return received on investments across its schemes in calculating the NAV, as long as the investments are standard and continue to service their debt obligations.

There is no mark-down as long as servicing in respect of the investments is being done on time.

In case of mark-down of investments, the same is undertaken in accordance with regulations and specific details of the convestment.

 Investment in Reverse Repo, Collateralized Borrowings and Lending Obligations (CBLO), Tri-Party Repo (TREPS) and Bills Rediscounting (BRDS):

Investment in Reverse Repo's, CBLO's, TREPS and BRDS are valued at cost plus accrued interest.

d) Revenue recognition

Interest income is recorded on a period proportionate basis.

Profit or loss on sale / redemption of investments represents sale proceeds less weighted average cost and is recognised on a trade date basis.

Transfer of Investments from one scheme to another scheme is made as per the valuation policy in conformity with the investment objective of the scheme to which such transfer has been made.

e) Expenses

The total expense ratio charged to scheme are within the limits prescribed under Regulation 52 of the SEBI (Mutual Funds) SEBI Regulations, 1996.

All expenses identifiable with any particular scheme are accounted on an accrual basis. Expenses not identifiable with any particular scheme are generally allocated to the schemes in proportion to the number of folios in the schemes or Average Assets under management (AAUM), whichever is more appropriate.

f) Computation of Net Asset Value (NAV)

The NAV of a scheme is computed separately for units issued under the various options of the relevant plans of the IL&FS Infrastructure Debt Fund - Series 2A, 2B and 2C, although the corresponding scheme's investments and other net assets are managed as a single portfolio. For computing the NAV for various plans/options, daily income earned, including realized and unrealized gains or losses in the value of investments and expenses incurred by the corresponding scheme are allocated to the plans/options in proportion to the net assets of each plan/option.

g) Investor Education and Awareness Expenses

In compliance with SEBI Circular No. CIR/IMD/DF/21/2012 dated September 13, 2012; the scheme has charged 0.02 % of daily net assets within the maximum limit of total expense ratio as per the SEBI Regulations for investor education and awareness initiatives. Pursuant to the letter dated January 8, 2016, issued by SEBI to AMFI mandating all members to transfer 50% of the Investor Education and Awareness fund balance as at March 31, 2016 and from April 1, 2016 onwards, 50% of the 0.02% of daily net assets aside by the Mutual fund, accordingly the fund has transferred 50% of opening balance and additions for current year to AMFI. The balance amounts are utilized towards investor education and awareness initiative taken by the Mutual Fund/AMC. Allocation for utilization is done in different schemes based on the available balance in each scheme.

h) Load

Pursuant to SEBI circular no SEBI/IMD/CIR NO .4/168230/09 dated June 30, 2009, no entry load is charged.

(21) IL&FS IDF invested in Zero Coupon NCDs amounting to Rs. 2,000 million issued by IWEL in September 2016.

Pursuant to rating downgrade of IWEL, IL&FS IDF had sought pre-payment of the NCDs from IWEL.

The entire value of NCDs of IL&FS Wind Energy Ltd (IWEL) had been provided for, as a conservative valuation approach, as on 30 September 2021 as the NCDs had fallen due.

After series of legal actions, IDF has received Rs. 252.63 crores against admitted claim of Rs. 254.66 crores. IDF has received ~99% of its admitted claims in July 2023 as per interim distribution by IWEL from the proceeds received by IWEL from the sale of its wind SPVs to ORIX. Accordingly, IDF has filed for withdrawal of its case from Hon'ble Supreme Court given the substantial extent of recovery made in the account.

As per SEBI Regulations, IDF has made provision for the entire outstanding exposure in IWEL. Summary of provisions made and recovery during the year ended March 31, 2025 & March 31, 2024 is as given below:

IL&FS Infrastructure Debt Fund Series 3B

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Schemes mentioned above give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, as amended (the "SEBI Regulations"):

- a) In the case of the Balance Sheet, of the state of affairs of the schemes as at March 31, 2025
- b) In the case of the Revenue Account, of the surplus for the year ended on that date and
- c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ('ICAI'). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Schemes in accordance with the Code of Ethics issued by ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

gree

Key Audit Matters	Auditors Response
Existence and Valuation of investments	
The investments held by the schemes as on March 31, 2025, mainly comprised of Debt instruments. There is a risk of existence of investments and that the fair value of investments is not determined appropriately. Accordingly the existence and valuation of investments is considered as a key audit matter.	 We performed the following audit procedures: Assessed the design and implementation of controls over existence and valuation of investments. Tested the controls set up by Management on sample basis on existence and valuation of Investments. Traced, the quantity held as per books with the confirmation provided by Custodian as of year end. Tested the valuation of investments on sample basis as per the investment valuation policy approved by the Trustees and with the SEBI Regulations.

4. Information other than financial statements and Auditor's report thereon

The Board of Directors and Management of IL&FS AMC Trustee Limited (the Trustees) and IL&FS Infra Asset Management Limited (the "AMC") are responsible for the other information. The other information comprises the information included in the Trustee's Report but does not include the financial statements and our auditor's report thereon. The Trustee's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

5. Management's Responsibility for the Financial Statements

The Board of Directors and Management of IL&FS AMC Trustee Limited (the "Trustee") and IL&FS Infra Asset Management Limited (the "AMC") are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Schemes in accordance with accounting principles generally accepted in India, including the accounting policies standards specified in the Ninth Schedule to the SEBI Regulations. This responsibility includes maintenance of adequate accounting records in accordance with the SEBI Regulations, the design, implementation and maintenance of adequate internal controls relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Schemes or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance are also responsible for overseeing the Scheme's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of such controls.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Schemes to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Schemes to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Report on Other Legal and Regulatory Requirements

- i) As required by Regulation 55(4) and clause 5(ii)(2) of the Eleventh Schedule of the SEBI Regulations, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) The financial statements have been prepared in conformity with the accounting policies and standards specified in the Ninth Schedule to the SEBI Regulations;
 - c) the Balance Sheet, the Revenue Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account of the Schemes.
- ii) As required by the Eight Schedule of the SEBI Regulations, we report that:
 - a) In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2025 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Directors of the Trustee and the AMC, and are fair and reasonable.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

(1) Background

IL&FS Mutual Fund (IDF) ('the Fund') has been constituted as a Trust in accordance with the provisions of the Indian Trusts Act, 1882 with IL&FS Financial Services Limited ("IFIN") as the Sponsor, IL&FS Infra Asset Management Limited as the Investment Manager and IL&FS AMC Trustee Limited as the Trustee. The Trust Deed has been registered under the Indian Registration Act, 1908 on January 21, 2013 and amended through Deed of amendment on September 5, 2013. The Investment Management Agreement between IL&FS Infra Asset Management Limited (the AMC), IL&FS AMC Trustee Limited (the Trustee) and the trust was executed on January 21, 2013 and amended on September 5, 2013. The Fund has been registered with SEBI on February 1, 2013 under Registration Code MF/072/13/02. With effect from January 1, 2017, sponsor of the Fund was changed from IFIN to IL&FS Investment Managers Limited ("IIML"), consequently Trust Deed and Investment Management Agreement were amended on January 16, 2017.

IL&FS Infrastructure Debt Fund Series 3A is a closed ended Scheme for 5 Years. The scheme was launched in January, 2018 and units were allotted on February 01, 2018. Series 3A is matured on 31st January 2023 and redemption value is paid in full to the investors

IL&FS Infrastructure Debt Fund Series 3B is a closed ended Scheme for 7 Years. The scheme was launched in April, 2018 and units were allotted on May 07, 2018. Units are having face value of ₹ 10,00,000 and are fully paid-up. The units are listed on the National Stock Exchange of India on May 11, 2018.

The Investment objective of the scheme is to generate income and capital appreciation by investing primarily in infrastructure debt instruments as permitted by SEBI from time to time.

With Series 3B maturing on 06th May 2025 and redemption value paid in full to the investors, Series 3B is completely matured and closed as of that date.

(2) Significant accounting policies

a) Basis of preparation of financial statements

The financial statements are prepared and presented under the historical cost convention, as modified for investments which are stated at fair value at the balance sheet date, on accrual basis of accounting and in accordance with the accounting policies and standards specified in the Ninth Schedule of the Securities and Exchange Board of India (Mutual Funds) SEBI Regulations, 1996 as amended (the "SEBI Regulations").

b) Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP), which requires Management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis.

Any revision to accounting estimates is recognized prospectively in current and future periods.

c) Investments

(i) Basis of accounting

Transactions for purchase and sale of investments are recorded on trade date. The
cost of investments includes all costs incurred in acquiring the investments and

incidental to acquisition of investments. Any front end-discount on privately placed investments is reduced from the cost of such investments.

 Broken period interest paid/received is not included in the cost of purchase of investments.

(ii) Valuation

- The valuation of investment is based on the guiding principles of fair valuation.
- Where it is observed that Valuation methodology mentioned below, does not lead to fair valuation of securities, Valuation Committee may on a prospective basis deviate from the defined methodology and adopt such alternate procedures / methods in conformance with the guiding principles of fair valuation in good faith to arrive at the true and fair estimation of the realizable value of the security. The rationale for any such deviations is recorded in writing and placed before the Board of Directors of the AMC and the Trustee.
- Valuation of the Security; arrived as per the policy; shall be applied
 consistently across the portfolios. In other words; any particular security is
 valued at same basis across all the portfolios and it cannot have different base
 for valuation on a particular day.

VALUATION METHODOLOGIES

 Debt, Money Market and related securities - All debt, money market and related securities. Infrastructure Debt Fund (IDF) is a close ended fund, it does not do marked-to-market valuation of securities and all its investments are held to maturity. It also does not trade its investments. There is no risk matrix available for the kind of investment that IDF invests in.

In view of above and the illiquid nature of infrastructure debt securities, having minimal or no secondary market, the valuation of infrastructure debt securities is done on a current effective yield basis (face value of security plus interest accrued).

Considering that IDF does not trade its investments, all money market instruments and other debt securities are valued on a current effective yield basis (face value of security plus interest accrued).

 Valuation of money market and debt securities which are rated below investment grade:

IDF accounts for actual return received on investments across its schemes in calculating the NAV, as long as the investments are standard and continue to service their debt obligations.

There is no mark-down as long as servicing in respect of the investments is being done on time.

In case of mark-down of investments, the same is undertaken in accordance with regulations and specific details of the investment.

 Investment in Reverse Repo, Collateralized Borrowings and Lending Obligations (CBLO), Tri-Party Repo (TREPS) and Bills Rediscounting (BRDS):

Investment in Reverse Repo's, CBLO's, TREPS and BRDS are valued at cost plus accrued interest.

d) Revenue recognition

Interest income is recorded on a period proportionate basis.

Profit or loss on sale / redemption of investments represents sale proceeds less weighted average cost and is recognised on a trade date basis.

Transfer of Investments from one scheme to another scheme is made as per the valuation policy in conformity with the investment objective of the scheme to which such transfer has been made.

e) Expenses

The total expense ratio charged to scheme are within the limits prescribed under Regulation 52 of the SEBI (Mutual Funds) SEBI Regulations, 1996.

All expenses identifiable with any particular scheme are accounted on an accrual basis. Expenses not identifiable with any particular scheme are generally allocated to the schemes in proportion to the number of folios in the schemes or Average Assets under management (AAUM), whichever is more appropriate.

f) Computation of Net Asset Value (NAV)

The NAV of a scheme is computed separately for units issued under the various options of the relevant plans of the IL&FS Infrastructure Debt Fund Series 3A & Series 3B, although the corresponding scheme's investments and other net assets are managed as a single portfolio. For computing the NAV for various plans/options, daily income earned, including realized and unrealized gains or losses in the value of investments and expenses incurred by the corresponding scheme are allocated to the plans/options in proportion to the net assets of each plan/option.

g) Investor Education and Awareness Expenses

In compliance with SEBI Circular No. CIR/IMD/DF/21/2012 dated September 13, 2012; the scheme has charged 0.02 % of daily net assets within the maximum limit of total expense ratio as per the SEBI Regulations for investor education and awareness initiatives. Pursuant to the letter dated January 8, 2016, issued by SEBI to AMFI mandating all members to transfer 50% of the Investor Education and Awareness fund balance as at March 31, 2016 and from April 1, 2016 onwards, 50% of the 0.02% of daily net assets aside by the Mutual fund, accordingly the fund has transferred 50% of opening balance and additions for current year to AMFI. The balance amounts are utilized towards investor education and awareness initiative taken by the Mutual Fund/AMC. Allocation for utilization is done in different schemes based on the available balance in each scheme.

h) Load

Pursuant to SEBI circular no SEBI/IMD/CIR NO .4/168230/09 dated June 30, 2009, no entry load is charged.

(21) IL&FS IDF invested in Zero Coupon NCDs amounting to Rs. 2,000 million issued by IWEL in September 2016.

Pursuant to rating downgrade of IWEL, IL&FS IDF had sought pre-payment of the NCDs from IWEL.

The entire value of NCDs of IL&FS Wind Energy Ltd (IWEL) had been provided for, as a conservative valuation approach, as on 30 September 2021 as the NCDs had fallen due.

After series of legal actions, IDF has received Rs. 252.63 crores against admitted claim of Rs. 254.66 crores. IDF has received ~99% of its admitted claims in July 2023 as per interim distribution by IWEL from the proceeds received by IWEL from the sale of its wind SPVs to ORIX. Accordingly, IDF has filed for withdrawal of its case from Hon'ble Supreme Court given the substantial extent of recovery made in the account.

As per SEBI Regulations, IDF has made provision for the entire outstanding exposure in IWEL. Summary of provisions made and recovery during the year ended March 31, 2025 & March 31, 2024 is as given below:
